

## MACHINE ROLLED 90 COE

We now have a new line of 90 coe Bullseye and Uroboros compatible clear and colored transparent machine rolled glass. Factory original sheet sizes are 63" x 60" or 40" x 60". Cut sheets are available. Cut sheet sizes are 32" x 30", 31" x 40" and 24" x 30". As always, we recommend testing for compatibility for your particular application. Thickness is approximately 1/8" or 3mm. Clear is also available in 4mm thick glass. May be mixed with Bullseye and Uroboros for quantity discounts.
